SHOW GUIDE 2025

The Workspace Design Show has partnered with the team behind IN Magazine, WORKS Magazine and Workplace Insight to produce the official show guide and publish extended previews of the event online and in the magazine.

Here's your unmissable opportunity to introduce yourself and your products to tens of thousands of specifiers, buyers, end users and industry professionals before and during this edition of the Workspace Design Show.

The Show Guide will let people know how to find you at the event, and the products they will find on your stand. It will also explore key trends and themes that will help you to engage in conversations about the things that matter most to you and your customers.
